        6. Describe, create, and implement databases technologies relative to website development and maintenance.
        7. Analyze, implement, and apply the systems development lifecycle (SDLC) methods and tools to meet the website development needs of a business.

COURSE MODE

- **Hybrid Course Sample Description**: This is a hybrid course. A hybrid course is a combination of traditional classroom activities as well as online instruction. Some classroom time is replaced by content and activities that take place in a managed online eLearning classroom. You should also check in on the Canvas course at least 3 times a week. For more information about taking a class a Hybrid course, visit eLearning at EdCC (full URL: http://www.edcc.edu/elearning).

ASSIGNMENTS AND GRADING

- **Assessment Criteria and Grading Policies.** Point Distribution: labs (130), home assignments (130), quizzes (130), projects (30) and Final Project (100). Rubrics for the assignments are specified in Canvas. See the Grade Table below for the grade point equivalents.
- **Attendance Policy.** Because this is a hybrid course, you must attend class each week on Campus. You should also check in on the Canvas course at least 3 times a week, to be sure that you don't miss any important announcements or information.
- **Make-up or Late Work**. Projects/assignments are due on the date indicated in Canvas. Projects/assignments received late will be marked 50% off if the assignment is not submitted by the stated date on the calendar. After the second week, no late assignment will be accepted. The final project will not be accepted late. No assignments will be accepted after the last class meeting of the quarter. No make-up tests or quizzes will be given unless prearranged. Prearranged is defined as: notifying the instructor of the inability to take the test or quiz before

the scheduled time of the test or quiz. You must make up the missed test or quiz within an agreed upon amount of time, no more than one week.

- **Policy on V and I Grades**. These can be found in the online college catalog (full URL: http://catalog.edcc.edu) on the Academic Requirements page, under Student Grades.
- **Policy on S, U, and N Grades**. These can be found in the online college catalog (full URL: http://catalog.edcc.edu) on the Academic Requirements page, under Student Grades.
- **Plagiarism Reference**. Reference Information (full URL: /syllabus/plagiarism-overview.html).
- **Institutional Withdrawal Policy**. Please see Instructor-Institutional Withdrawal Policy
- Please see the **Student Rights, Freedoms and Responsibilities** in the Edmonds CC online academic catalog: Edmonds Community College Policies (full URL: http://catalog.edcc.edu/content.php?catoid=23&navoid=6810). This document includes Guidelines for Student Conduct and information on disciplinary procedures.

STATEMENT ON ACADEMIC INTEGRITY

Edmonds CC students shall demonstrate Academic Integrity. I am expected to report all violations of Academic Integrity (cheating and plagiarism) to the College. The College's database of such incidents will be monitored by the Office of the Vice President for Student Services. Data will be maintained for three years. Evidence of repeat incidents will result in additional action by the Office of the Vice President for Student Services as governed by the Student Code of Conduct. In this class, cheating and plagiarism will result in an assignment or grade penalty ranging from "0" on an assignment to an "F" in the course.

FINAL EXAM AND LAST MEETING OF CLASS

- The final exam will be in-class on WEEK ELEVEN, March 14, 2018, Wednesday, 6 pm, at SNH-0124.

SERVICES FOR STUDENTS WITH DISABILITIES

If you require an accommodation for a disability, please contact Services for Students with Disabilities at MLT 159, 425.640.1320 or **ssdmail@edcc.edu**.

COURSE EXPECTATIONS

- Students:
    - Submit all assignments by the due dates specified in Canvas.
    - Send all assignments in Canvas.
    - Ensure your name is on your assignment at the top of the first page.
    - Check the eLearning course site at least 3 times a week.
- Instructor:
    - I will return email messages within 24 hours, usually much sooner.
    - I will grade and return all assignments within seven days.
    - I will monitor the discussion board on a daily basis.
    - I will post all grades and points on the eLearning course student grade book.
- Successful completion of student responsibilities in this class requires class attendance and online access to Canvas. You are expected to attend class and log in to your online classroom at least 3 times per week for a minimum of 2 hours. Emergency Preparedness

The **Triton Alert System** (full URL: http://www.edcc.edu/alert/triton) will be used to send notifications regarding campus closures, emergency situations, or evacuation orders in the event of an emergency or inclement weather. Edmonds CC students and employees are automatically enrolled to receive Triton Alerts through their college email addresses. Sign up to receive text and voice messages on your mobile or home phones and/or additional email notifications to personal email addresses.

If inclement weather prevents me from getting to campus (and the college is open), I will leave an announcement in our eLearning class. I will try to get this information to you as early as possible so you don't come to campus and find that the class has been canceled. However, be sure to check the college's website to see if the college is closed and all classes are canceled.
